OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

Please join us on Tuesday, October 27 at 7 PM for the opening reception of the Berks County Women in Crisis Silent Witness project in the Old Main Concourse, when KU collaborates with the Kutztown Community Partnership and the local Purple Purse Campaign to raise awareness about domestic violence. A donation box collecting non-perishable food, diapers, cleaning supplies, bath towels and personal care items for BWIC's Safe House residences will be available as well as local and national information on domestic violence and how to find assistance.

On campus until Sunday evening, November 1, the Silent Witness Project is a visual life-size display depicting Berks County women, children, pets and men. Each figure wears a shield that describes the victim's life and untimely death due to domestic violence. For more information visit purplepurse.com and berkswomenincrisis.org or call the Women's Center, 126 Old Main, at 610.683.4655.
