KU FOUNDATION
KUTZTOWN UNIVERSITY

A YEAR IN REVIEW

The Kutztown University Foundation had much to celebrate in the 2022-2023 fiscal year, and we are grateful to all the alumni, donors and friends who supported **Together, We're Golden: The Campaign for Kutztown University**. Because of your generosity, we exceeded both our fundraising and engagement goals, raising **\$46,852,180** and engaging with alumni and donors for **56,734 hours**.

Through the course of **Together, We're Golden**, the KU Foundation:

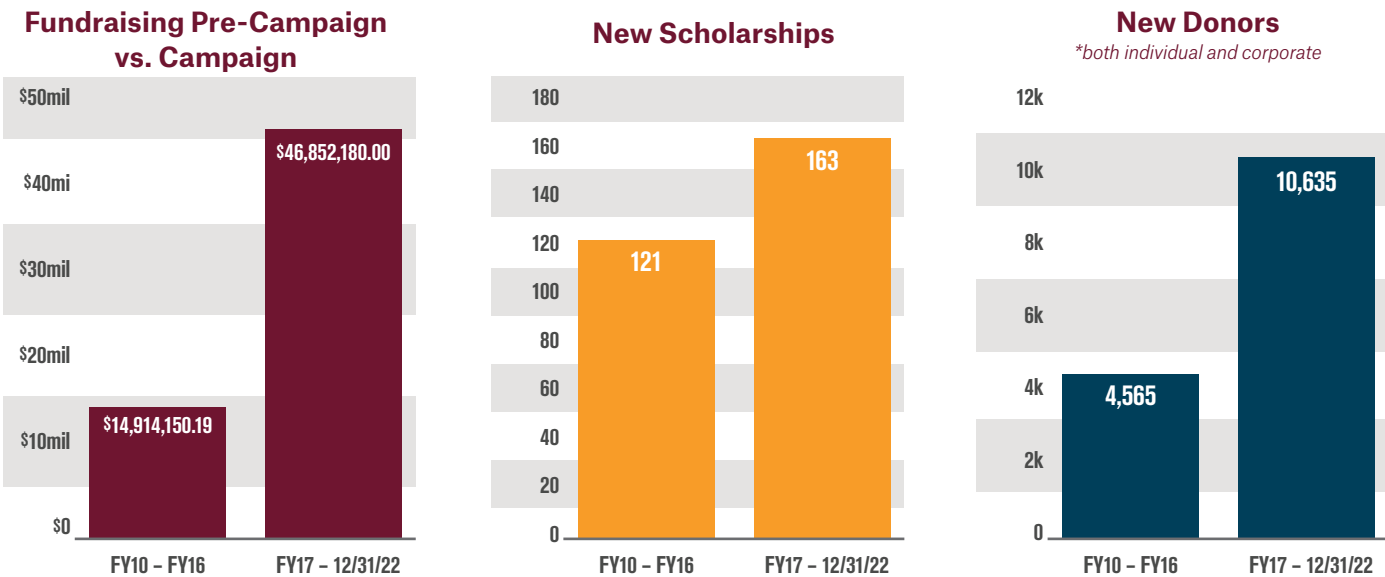

- Created 163 new scholarships for students
- Identified over 10,000 new donors
- Worked with donors to bring their philanthropic visions to life on campus with projects like:
 - ▶ Wells-Rapp Center for Mallet Percussion Research
 - ▶ DeLight E. Breidegam Building: Headquarters of the Pennsylvania German Cultural Heritage Center
 - ▶ Fred and Martha '02 Hafer Scanning Electron Microscope Lab
 - ▶ Nancy Jean Stump Seiger '54 Botanical Research Center
 - ▶ C.R. Chambliss Astronomical Observatory
 - ▶ Beebe Family Conference Room in the newly renovated de Francesco building
 - ▶ Grew its endowment to \$40,000,000

Year after year, the Kutztown University Foundation is raising the bar, overcoming challenges, and working harder than ever to ensure a bright future for the Golden Bears of today and tomorrow.

With sincere gratitude,

Alex Ogeka,
Executive Director

On December 31, 2022, the KU Foundation wrapped **Together, We're Golden: The Campaign for KU**

As part of the campaign for Kutztown University, the KU Foundation completed three capital projects over the course of the last academic year, transforming campus and providing exciting new opportunities for students, faculty and the community.

Elizabeth J. Wells; Richard G. Wells '22 L.H.D., professor emeritus of music; Joan Rapp; Dr. Willis M. Rapp, professor emeritus of music, member of KU Foundation's Board of Directors.

Wells-Rapp Center for Mallet Percussion Research

The Wells-Rapp Center for Mallet Percussion Research was completed in winter 2023. This working facility is open to students and researchers alike, allowing visitors access to KU's growing collection of music, photos and artifacts, along with the rare and valuable vintage collection of mallet percussion instruments that have been acquired over three decades. Concerts have already been held in the 2,100-square-foot performance space, and supporters of the project toured the space in April.

The center is named for emeriti faculty members **Richard G. Wells '22 L.H.D.** and **Dr. Willis M. Rapp**.

Delight E. Breidegam Building: Headquarters of the Pennsylvania German Cultural Heritage Center

Dan Breidegam, son of DeLight E. Breidegam and chair of East Penn Manufacturing Co.

On Sept. 29, 2022, KU dedicated the Delight E. Breidegam Building: Headquarters of the Pennsylvania German Cultural Heritage Center. This newly renovated building houses the heritage center's world-class research collection of books, manuscripts, photographs, documents and artifacts acquired since the establishment of the center in 1991. The state-of-the-art research library is open to students, faculty, visiting researchers and the public, allowing access to this unique collection showcasing four centuries of the Pennsylvania German cultural presence in the region surrounding Kutztown.

The center is named for **DeLight E. Breidegam Jr.**, co-founder of East Penn Manufacturing, philanthropist and enthusiast of Pennsylvania German culture.

The Nancy Jean Stump Seiger '54 Botanical Research Center

Matt Delaney, vice president, Finance & Facilities; Dr. Loren Basden Arnold, provost and vice president for Academic Affairs; Dr. Kaoutar El Mounado, associate professor of biology; Alex Ogeka, executive director of KU Foundation; Nancy Jean Stump Seiger '54, '21 Ped.D.; Dr. Kenneth S. Hawkinson, president; Dr. Laurie McMillan, dean, College of Liberal Arts & Sciences; and Dr. David Beougher, former dean; cut the ribbon at the Botanical Research Center dedication.

The Nancy Jean Stump Seiger '54 Botanical Research Center, located next to Boehm Science Building, was dedicated in June. Faculty and students alike will spend time in the new area, advancing botanical research in ways that will be appreciated far beyond the KU campus. This facility will be used in community education events for gardening and will complement research in regenerative organic agriculture associated with KU's new environmental studies program track.

The center is named for **Nancy Jean Stump Seiger**, who graduated in 1954 with a degree in education and received an honorary degree from KU in 2021. She taught fifth grade in the Reading School District for 32 years and taught citizenship classes at night.

...recognizes cumulative efforts of alumni, parents, friends, faculty, staff, corporations, and foundations who have, by their generosity and devotion, shown exemplary commitment to the University and to ensuring that future generations will benefit from the quality of a KU education. Membership is based on total realized giving to the University, including gifts of cash, securities, real property, in kind donations, realized, and unrealized bequests.
