Engrave Your Achievement in Stone

Are you looking for the perfect way to engrave your achievement in stone at KU?

Your days at KU were filled with new experiences, new friends and new knowledge. An inscribed brick would capture the memories of this very important time.

Three sizes of bricks are available and when ordered by May 31, bricks will be installed by October of the same year, in time for Homecoming.

Size and Cost

The size and cost of the available bricks for inscription are:

| | | |
|---------------|--------------|----------------------------------|

| \$500 | 8x8 | 13 characters per 6 lines |
| \$1000 | 12x12 | 15 characters per 9 lines |

Placement

Each brick in the Alumni Plaza is placed within a decade section:

Decades 1900, 1910, 1940, 1960 and 1980 are at the North end of the Plaza

Decades 1920, 1930, 1950, 1970 and 1990 are at the South end of the Plaza

All bricks from 2000 forward, and those without an associated graduation year, are placed in the walkway along the Graduate Center starting at Main Street (South end)

Brick placement is determined by the earliest year of graduation noted on the inscription, or graduation year of the donor.
